Sleeps	4 - 5

DATA COMPLETENESS -- 56% — every figure on this page is Jayco's own published record for the 2019 model year, read from the factory's 2019 brochure; 10 fields the factory does not publish for this year are shown as "Not published" and are never filled in from another year; a further 1 captured field (interior height (upper deck)) is held back from publication until the catalogue tracks them, rather than printed where no reader could compare them

* Flagged value: not separately published by the manufacturer, or carries a logged source note -- see the full entry online for detail.

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
