DATA COMPLETENESS -- 86% — every figure on this page is Jayco's own published record for the 2024 model year, read from the factory's 2024 model page; 3 fields the factory does not publish for this year are shown as "Not published" and are never filled in from another year; a further 3 captured fields (interior height (upper deck), awning length, fuel tank capacity (gals)) are held back from publication until the catalogue tracks them, rather than printed where no reader could compare them
