DATA COMPLETENESS -- 81% — every figure on this page is Jayco's own published record for the 2025 model year, read from the factory's 2025 model page; 4 fields the factory does not publish for this year are shown as "Not published" and are never filled in from another year; a further 1 captured field (awning length) is held back from publication until the catalogue tracks them, rather than printed where no reader could compare them
