Sleeps	up to 4

DATA COMPLETENESS -- 67% — every figure on this page is Jayco's own published record for the 2025 model year, read from the factory's 2025 model page; 1 field the factory does not publish for this year is shown as "Not published" and is never filled in from another year; its published GVWR is shown as disputed, not as a rating, because Jayco's own figures for it do not reconcile; a further 1 captured field (awning length) is held back from publication until the catalogue tracks them, rather than printed where no reader could compare them

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
