Furnace output	35000 BTU		
Furnace, auto-ignition	Not published		
Outside storage compartments	1		

DATA COMPLETENESS -- 91% — every figure on this page is Jayco's own published record for the 2025 model year, read from the factory's 2025 model page; 2 fields the factory does not publish for this year are shown as "Not published" and are never filled in from another year; a further 4 captured fields (interior height (upper deck), awning length, awning length 2, fuel tank capacity (gals)) are held back from publication until the catalogue tracks them, rather than printed where no reader could compare them

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
