DATA COMPLETENESS -- 95% — every figure on this page is Jayco's own published record for the 2026 model year, read from the factory's 2026 model page; 1 field the factory does not publish for this year is shown as "Not published" and is never filled in from another year; a further 3 captured fields (interior height (upper deck), awning length, awning length 2) are held back from publication until the catalogue tracks them, rather than printed where no reader could compare them
