DATA COMPLETENESS -- 81% — every figure on this page is Jayco's own published record for the 2027 model year, read from the factory's 2027 model page; 4 fields the factory does not publish for this year are shown as "Not published" and are never filled in from another year; a further 3 captured fields (interior height (upper deck), awning length, awning length 2) are held back from publication until the catalogue tracks them, rather than printed where no reader could compare them

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
