DATA COMPLETENESS -- 81% — every figure on this page is Jayco's own published record for the 2027 model year, read from the factory's 2027 model page; 4 fields the factory does not publish for this year are shown as "Not published" and are never filled in from another year; a further 2 captured fields (interior height (upper deck), awning length) are held back from publication until the catalogue tracks them, rather than printed where no reader could compare them
