DATA COMPLETENESS -- 97% — dry weight, GVWR, payload, pin, capacities, slides and awnings all verified against RVUSA structured records; dry plus payload equals GVWR exactly. RVUSA lists no MSRP for this plan, so no price is shown; axle rating noted Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
