DATA COMPLETENESS -- 88% — payload, tongue weight, dimensions, tanks & equipment verified against RVUSA structured records; dry weight is dealer-typical and varies by build, and real loaded tongue weight runs higher (both flagged)

* Flagged value: not separately published by the manufacturer, or carries a logged source note -- see the full entry online for detail.

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
