DATA COMPLETENESS -- 38% — every figure on this page is Jayco's own published record for the 2018 model year, read from the factory's 2018 model page; 13 fields the factory does not publish for this year are shown as "Not published" and are never filled in from another year; a further 1 captured field (interior height (upper deck)) is held back from publication until the catalogue tracks them, rather than printed where no reader could compare them
