**DATA COMPLETENESS** -- 90% — all weights, capacities, tanks, sleeping count and layout verified against the Coachmen factory floorplan roster and corroborated across multiple 2026 dealer listings; GVWR is published directly. The current factory record did not expose this plan's exterior height or awning length — both are shown as the line-typical figure and flagged — and the dealer-typical selling price is flagged

\* Flagged value: not separately published by the manufacturer, or carries a logged source note -- see the full entry online for detail.

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
