DATA COMPLETENESS -- 93% — all dimensions, weights, capacities, tanks & equipment verified against the current Coachmen factory floorplan roster and a structured dealer spec table that matches it exactly; GVWR is published directly (9,000 = UVW 6,730 + CCC 2,270), the sleeps-8 factory figure is noted against dealer copy, and only the dealer-typical selling price is flagged

* Flagged value: not separately published by the manufacturer, or carries a logged source note -- see the full entry online for detail.

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
