DATA COMPLETENESS -- 93% — capacities, equipment, slide/axle counts & A/C verified against RVUSA structured records; dry weight, GVWR, payload & tongue from Jayco's 2026 brochure (the RVUSA structured record omits weights) and the 5,855 lb dry is corroborated by multiple dealer listings; MSRP is a single-source manufacturer figure as RVUSA does not list this plan's MSRP. A manufacturer brochure footnote shows split grey/black tanks; the single-figure RVUSA capacities are used here

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
