| Hitch type  | Fifth-wheel (in-bed)             |
| Primary bed | 60 X 80 Queen Bed (King<br>Opt.) |

**DATA COMPLETENESS** -- 100% — every dimension, weight, tank, appliance and garage figure on this page is the Grand Design factory value for its own MY2027 floorplan page; payload is the published GVWR minus the published UVW, the same arithmetic the trade catalogs use; interior height is NOT shown because the factory's interior-height field on the Momentum fifth-wheel roster returns the exterior width (101 inches) on all ten plans, so the field is unusable and is omitted rather than estimated

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
