Furnace	Not reliably published *

DATA COMPLETENESS -- 95% — primary specs, weights, tanks, axle ratings and Base MSRP verified against the Heartland factory floorplan page and cross-checked against the RVUSA structured record and the 2026 brochure; the printed GVWR equals dry weight plus cargo capacity exactly; the North Trail furnace rating is not reliably published (factory field mislabel, logged and omitted)

* Flagged value: not separately published by the manufacturer, or carries a logged source note -- see the full entry online for detail.

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
