Awnings	1		

DATA COMPLETENESS -- 97% — dry weight, GVWR, payload, hitch weight, all three tanks, length, height and equipment published in RVUSA's structured MY2024 record and matched cell-for-cell against the 2024 factory brochure table; dry + payload = GVWR exactly; layout room-by-room detail is not asserted (no verifiable source for a discontinued line)

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
