Microwave	1.3 cu ft stainless
Heat	Floor-ducted

SLEEPING & LAYOUT

Sleeps	4
Slides	2
Entries	1
Awning	1 · 21'

DATA COMPLETENESS -- 94% — exterior length, height and width, all three tanks, refrigerator, slides, entries and awning verified against the factory floorplan record, the 2026 factory brochure and the RVUSA structured records; dry weight, GVWR, CCC and tongue are published per plan and dry plus CCC equals GVWR exactly; solar is prep only; the delivered A/C size is contradicted between two required factory packages and is flagged rather than asserted; Palomino and Forest River publish no MSRP, no axle rating and no tire size for the line

* Flagged value: not separately published by the manufacturer, or carries a logged source note -- see the full entry online for detail.

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
