DATA COMPLETENESS -- 84% — exterior length, height and width, all three tanks and the awning size verified against the factory floorplan record and independently against the factory print roster (12 of 12 shared fields agree); dry weight, GVWR, CCC and tongue are published per plan and dry plus CCC equals GVWR exactly on all three; the 25TH garage figure is the factory floorplan sentence verbatim; sleeps, slides, entry count, garage length on the 27TH and 29TH, axle count and rating, tire size and MSRP are not published for this sub-line

* Flagged value: not separately published by the manufacturer, or carries a logged source note -- see the full entry online for detail.

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
