Entries	Not published by source*

DATA COMPLETENESS -- 82% — exterior length, height and width, all three tanks and awning size verified against the factory floorplan record, with tongue weight, dry weight, CCC and length independently confirmed against the factory print roster; dry weight plus CCC equals the published GVWR exactly; equipment is the factory's own named package list for this plan; sleeps, slides, entry count, axle count and rating, tire size and MSRP are not published for this tier

* Flagged value: not separately published by the manufacturer, or carries a logged source note -- see the full entry online for detail.

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
