DATA COMPLETENESS -- 100% — dry weight, cargo capacity, dry pin weight, all three exterior dimensions and all three tank capacities are the Highland Ridge factory figures for 2026, captured twice - once from the line roster block and once from the per-plan factory detail page - and cross-checked field by field before publication, with GVWR published per plan and dry weight plus cargo capacity equal to it exactly. Sleeping capacity, axle count, tire size and MSRP are not published in this channel and are counted as missing rather than filled.
