DATA COMPLETENESS -- 56% — dry weight, cargo capacity, pin weight, all three exterior dimensions and all three tank capacities are the figures Forest River publishes in its own 2022 brochure for this line, each one read back against that document's text before publication; GVWR is not published by Forest River for this line and is therefore absent rather than computed. Sleeping capacity, axle count, tire size and MSRP are not published in this channel and are counted as missing rather than filled
