| Bed                         | Camp King                  |

**DATA COMPLETENESS** -- 96% — exterior length, height and width, all three tanks, refrigerator, slides, awnings and A/C verified against RVUSA structured records; dry weight, GVWR, CCC and tongue are published per plan and dry plus CCC equals GVWR exactly; the 200-watt solar is installed standard; Prime Time and Forest River publish no MSRP for the line, so street price is dealer-confirmed

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
