Water heater	60,000-BTU tankless · on-demand

SLEEPING & LAYOUT

Sleeps	8
Slides	3
Entries	1
Awnings	Not published *
Primary bed	Queen 60×80

DATA COMPLETENESS -- 93% — body specs, UVW, CCC, GVWR and pin all verified against the Forest River factory record; the published GVWR equals UVW plus CCC exactly; the numeric per-axle GAWR is not separately published for Wildcat; the awning size is not yet published for this plan on the factory floorplan record and is flagged; the front bed is a dealer-confirmed 60-by-80 queen rather than the line-standard king; the 45,000-BTU three-air-conditioner system follows the line's large-plan standard configuration (the floorplan page does not separately placard the A/C); sleeps is dealer-typical and no consistent MSRP placard is carried in the price chip, so it is omitted

* Flagged value: not separately published by the manufacturer, or carries a logged source note -- see the full entry online for detail.

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
