SLEEPING & LAYOUT

Sleeps	12
Slides	3
Entries	2
Awning	1 · 20 ft electric

DATA COMPLETENESS -- 92% — travel length, exterior height, all three tanks, dry tongue weight, cargo capacity, axle count and awning length verified against both the CrossRoads factory detail record and the RVUSA structured record with zero disagreement; dry weight, MSRP and maximum sleeps verified against the factory roster card; GVWR published per plan and dry weight plus cargo capacity equals GVWR exactly; standards and options are the 2025 published lists and are labelled as such; CrossRoads publishes no exterior width, no axle rating and no reliable per-plan interior height for the line

* Flagged value: not separately published by the manufacturer, or carries a logged source note -- see the full entry online for detail.

Independent reference -- CamperTrailers.com is not affiliated with the manufacturer. Figures are base-unit as published; options change weights. Always confirm against the unit's certification / weight label and your tow vehicle's door-jamb placard before towing.
